Shared Savings and Losses

The amount of any Shared Savings or Shared Losses for any Performance Year:
2021 PY: Shared Losses of \$399,260.13
2022 PY: Shared Savings of \$195,863.30

The proportion of Shared Savings invested in infrastructure, redesigned care processes, and other resources necessary to improve outcomes and reduce Medicare costs for Beneficiaries: \$0 distributed (Participant Providers contributed funds to support investment).

The proportion of Shared Savings distributed to Participant Providers and Preferred Providers: 100%

ACO Quality Measure Performance

See Table 1

Quality Performance Results – Summary Information
Global and Professional Direct Contracting Model
PY 2022 Annual Quality Performance Report

DCE ID: D0162
DCE Type: High Needs Population

[Table of Contents](#)

Table 1. Summary Information

Measure	Official Measure Set—Measure Name	Your DCE's Quality Measure Score	P4P Percentile Rank ¹	P4P Component Quality Score ²	P4R Component Quality Scores ^{3,4}	Total Quality Score
ACR	Risk-Standardized, All-Condition Readmission (a lower (↓) score indicates better performance)	19.66	86.1	100.00%	100.00%	100.00%
UAMCC	Risk-Standardized, All-Cause Unplanned Admissions for Patients with Multiple Chronic Conditions (per 100 person-years) (a lower (↓) score indicates better performance)	64.76	81.3			
DAH	Days at Home for Patients with Complex, Chronic Conditions (a higher (↑) score indicates better performance)	313.10	N/A	N/A		
CAHPS	Consumer Assessment of Healthcare Research and Quality (a higher (↑) score indicates better performance)	N/A	N/A	N/A		

Footnotes:

- In PY 2022, DCEs must meet the 30th percentile threshold on at least one of two claims-based measures (ACR or UAMCC) to receive the full 1% of the Quality Withhold tied to performance (P4P). A sliding scale is applied to DCEs that do not meet the 30th percentile threshold. Please refer to the PY 2022 Quality Measurement Methodology (QMMR) document for more details.
- DCEs can earn up to 100% of the 1/5 of the Quality Withhold percentage tied to P4P.
- In PY 2022, 4/5 of the 5% Quality Withhold (i.e., 4% of the financial benchmark) is tied to reporting (P4R). The 4/5 will be comprised of 2/5 connected to the claims-based quality measures and 2/5 connected to the CAHPS survey in PY 2022. See note 4 below.
- DCEs will automatically earn 100% of the 2/5 related to claims-based quality measure reporting (no action required by DCEs). DCEs may earn 100% of the 2/5 connected to CAHPS by authorizing a CMS-approved vendor to administer the CAHPS survey in PY 2022.
